"SRFC listens and understands the gaps of services in our community. [Leadership] advocates for strong collaboration between communities to bridge the gaps of the underserved. We feel empowered and supported by the SRFC team and the collaboration of the partnering agencies. We have been able to advance the well-being of the families in our communities as a group by providing wrap around services." - CRN Staff at CLUES

## 1,790 Served

through student-led initiatives, Marnita's Table & CAB events, and Resource Fairs

# 100 +

#### students who had not been interested in college are now considering it

after student college visits and postsecondary planning groups planned by peers

#### Among Latinos Unidos Middle School Leadership Conference planners, based on a survey with 95% response rate, and among IZI participants

#### **Community Resource Fairs** 8 **Events held**

Employers said this is one of the best job fairs they've been to and everyone in the space was joyous; the energy was electric, super positive and very community centered.

The IZI is one of the few times we see our school community actually integrated; because the diverse student population often form social groups by race. -Student Hospitality Guide, Irondale High School
